# LEDGER

WEEKLY REPUBLICAN—1897  
DAILY PUBLIC LEDGER—1898

MAYSVILLE, KY., WEDNESDAY, APRIL 10, 1912.

ONE COPY—ONE CENT.

THE PRINCIPAL OF THE THING.  
When Jones was young he started in  
to stand up for his rights;  
For property not worth a pin  
He was envied in fight;  
He always said: "It ain't so much  
The copper cent, by jing!  
I'm gettin' Gotch's toe-hold clutch  
For the principal of the thing."

He'd fuss about a nickel when  
The butcher was o'erpaid;  
He'd haggle with his fellow men  
Unto the slightest shade;  
And always, in every row,  
Something like this he'd fling:  
"The passable—but fightin' now  
For the principal of the thing!"  
When Jones grew old his voice would croak  
In sheer excess of wrath;  
Of friends he had a wonderous lack—  
He trod a lonely path;  
But still he quavered, as of old,  
The song he used to sing:  
"I ain't a fightin' fer the gold—  
It's the principle of the thing!"  
—Denver Republican.

## Twenty-Five Cent Corset Covers

Discriminating women in buying inexpensive corset covers want simple trimmings, for elaboration in low-priced covers is at the sacrifice of quality in fabric, laces and embroidery. We have been looking some time for corset covers to meet our requirement of prettiness and service and at the same time remain within the small price limit. We think we have found them, and we are pretty severe critics of our own efforts. Now we want your opinion as to whether we are right in believing we have the very best values in twenty-five cent corset covers ever placed on this market. Come in and let us know.

## Children's Dresses 50c to \$4

When we survey a stock of such variety with a view to advertise it, we realize even the briefest word of even half the styles is wholly impossible within the confines of our ad space. We mention the dear little white linene slips at 50c trimmed in dainty colors for the 2 to 4-year olds. Or the pretty gingham at 75c in 5 to 8-year sizes. The white, blue or tan belted frocks at \$1.25 for girls of 8 to 12. The smart white/middy suits at \$3.50 with the snappy touches of blue and red for the miss of 12 to 17. Yet we haven't even hinted at the possibilities of the stock. We just cannot cover such an assortment. The only way to grasp it is to see it. Come in and if you want to buy you won't have to carry a heavy purse for a little money goes a long way among these low-priced dresses.

FOR PRESIDENT,  
WILLIAM HOWARD TAFT.

## NOTICE TO DELINQUENTS.

Owing to the fact that many of our subscribers on the Rural routes are dropping behind in their accounts and the amounts thus continue to increase from month to month, and that a large number of them ignore our repeated demands for a settlement, we have tired of sending THE PUBLIC LEDGER this way and then realizing nothing in return. Besides, it is very expensive to us and a violation of the postal laws; therefore we will send another statement to each delinquent and then take such legal action necessary to get what is due us and at the same time meet the requirements of the Postoffice Department. Respectfully,

A. F. CURRAN.

No man likes it very well when his wife serves on a committee.—Ed Howe.

The most sensible and far-reaching bill enacted by the Legislature was the primary law. It puts every man on the same footing at the ballot box.—Jessamine News.

Former Representative J. Adam Bede, of Minnesota, has just completed a trip through New England and Pennsylvania and in an interview in Washington says:

**Taft not a Trimmer.** "I am for Taft for a renomination because I know what he is made of. The Republican party has never turned down for a second term a President who was willing to accept it. Nor have we ever given a third term to anybody who wanted it. A year ago Mr. Taft told me what this one and that one wished him to do, assuring him that if he would do so he would be re-elected. Bringing his fist down on the table, he declared: 'I would rather be President for two years than a trimmer for six. I am not playing politics with the office of President.'"

Senator Bradley thus speaks out against O'Rear's attempt to carry water on both shoulder's:

"I was for Mr. Fairbanks in 1908 and did not try to succeed by declaring that I would vote as instructed, although I am frank to say I would have voted according to instructions. Notwithstanding I was then United States Senator elect the convention did not hesitate to defeat me for delegate, of which I made no complaint, but heartily indorsed Mr. Taft's candidacy. We have a number of candidates for delegate from the State at large who are consistently for Mr. Taft and can be implicitly relied upon, and I think it would be very unwise to select a man who has the record of Mr. O'Rear as a delegate to the national convention. If Mr. O'Rear were for Mr. Taft the position of matters would be entirely different."

Former Governor Henry C. Warmouth of Louisiana, when seen at the Stafford, was willing to give his opinions regarding the political situation in his country. "We will have two Republican delegations to the Chicago convention,"

**Taft will Break the Solid South.** "Chicago convention," said Governor Warmouth, "but both of them will be in favor of President Taft's renomination."

"Nobody who has a grain of political sense doubt's for a moment that the President will be renominated and I wish I felt as sure of going to a better land when I die as I do of his re-election in November. It may seem like I am absurdly optimistic in saying that President Taft will carry Louisiana this fall, and yet that is just what is going to happen. Naturally the state is Democratic, but this year exceptional conditions prevail. The course of the Democrats in Congress, striking a mortal blow at sugar, is going to convert life long Democrats into straight-out Republicans. Regardless of what Washington politicians may say, our people know that free sugar means the destruction of our great cane interests and the loss of every dollar of the millions that have been invested in sugar machinery. It is not in human nature to go to the polls and vote for that party which is on record as ready to crucify one's material interests. Just note my prediction and watch Taft break the solid South."

New York, Roosevelt's home state, today will instruct, nearly unanimously for President Taft. More fraud(?)

Senator Bradley is a very plain spoken man; not a bit too plain spoken, however, when frauds and falacies are to be punctured. Bradley's course in the Taft campaign has been forceful and consistent and in the years to come he will be numbered among the Presidents most loyal friends and supporters.

Regarded only from the standpoint of expediency, the naming of anybody but Mr. Taft would be a fatal blunder. Will Mr.

Roosevelt, with the hopelessness of his own effort now made clear, turn to the aid of his party?

His printed comments on the recent conventions and the New York primary do not point in that direction, it must be confessed. He is bitter about the results everywhere, and is voicing a venom that comes strangely from him. Caucuses, conventions and primaries alike are execrated in his utterance. However delegates are chosen if they are against him he heaps obloction on the method of their selection, and cries out that all the world is rotten. Persistence in such language will inevitably react upon Mr. Roosevelt himself.

The American people are experienced in election matters. They know of old that it is always the poor loser who attributes his defeat to fraud, but they have not looked upon Theodore Roosevelt in the past as the kind of man who descends to this cheap talk.

Mr. Roosevelt could do nothing that would so surely strip from him every rag of reputation for high courage as to continue his emulation of cheap political methods.

The true choice for the ex-President today is to come out manfully and to admit his defeat.

His whole-hearted activity thereafter in support of his party would restore to him the esteem and affection among the American people which he is now fast losing.—Detroit Free Press.

**St. Louis Times:** For Sale—One band wagon; never been used. Apply to T. R.

**Rochester Union and Advertiser:** The Colonel is going to be a great help to the Democrats this year.

**Philadelphia Inquirer:** In brief, Theodore Roosevelt has become a through-going demagogue, whose word is of no value whatever.

**Kansas City Journal:** In Roosevelt's Louisville speech it is "the crown of thorns and cross of gold" brought down to date, with the judicial recall, the country life commission and distrust of the people substituted for free silver and some of the other Bryan populisms current sixteen years ago.

**Arkansas Gazette:** "The Republican party," said Col. Roosevelt at Louisville, "is now facing a great crisis." Sure it is. And as if the situation were not bad enough already, you are making it worse by your disruptive speeches. More power to your elbow—and to your jawbone.

**Washington Star.** "You don't meet any more bunco steers or gold brick men."

"No," replied Farmer Corntassel, when a man is after your money now he doesn't take the trouble to be sociable and show you a good time. He jes' addresses a few circulars an' expects you to send him the money by mail."

### EARLY CHURCHES

#### In Lewis County and Interesting Facts Connected With Them

A Vanceburg correspondent of The Portsmonth Blade, writes the following interesting facts and history of the first house of worship built in Lewis county:

I find upon the Lewis County Court records with date of May 15, 1798, deed from Joseph C. Vance and wife and Moses Baird and wife to John Dyal, lots Nos. 2, 14, 31, 44 and two fractional lots in the city of Vanceburg, Ky. These lots are now in the center of the city, except the fractional lots which long since went down the Ohio river. It is highly probable that Mr. Vance here named is of the same family for whom our city is named.

Probably the first house of worship in Lewis county was erected at Valley about seven miles out from Vanceburg on Saltlick Creek. The deed to this property was made by John McDaniel and wife on the 21st day of October, 1807, to London Calvert, William Harper, William Hance and Samuel Cox, trustees.

This Church organized was moved to Popular Flat to the place known as Salem and deed was made by John Rayden, December 19th, 1830, to Caleb and James Richards and William Hendrickson, trustees.

"Old Ebenezer," the Presbyterian Church near Cottagesville, on Cabin Creek, was in existence before 1819. A County Court held August 16th, 1819, George Means, George Maple, Archibald Boyd and William Robb were appointed as trustees to receive deed for the property.

It is said that Barton W. Stone preached the doctrine of the Christian Church at East Fork in 1805, but this is unauthentic.

The Methodist brethren established on Cabin Creek at Bethel, as shown by deed dated July 9th, 1836. They also had another lot on Cabin Creek, with deed made from Isaac Carey to Thomas Warrin, Lewis Singer, Aquilla Smith, Barnet West and William Robt West and William Richards and dated September 21, 1835.

"Old Union," built by Baptists, Methodists, New School Presbyterians and Christian Churches, who used it alternately one Sunday

each in the month. The land for this house was deeded to trustees by Charles Swearingin, 1819, at 1845.

Martin Fork, Christian church was organized in 1851, Sand Hill, September 12th, 1858, and Vanceburg, 1864.

"There's lots o' music in 'em. Those songs of long ago; And when some gray-haired brother sings the ones I used to know, I sorter want to take a hand—I Thick of days gone by— On Jordan's stormy banks I Stand and cast a wishful eye."

By a vote of 21 to 4 the Arizona House passed a bill granting suffrage to women.

The Hazard section of the mountains is isolated by mud-locked highways.

The Supreme Court declined to rehear the "patent monopoly" case, and efforts will now be pointed to protective legislation by Congress.

## Why Should a Chicken Lay a Soft-Shelled Egg?

Because, Willie, the chicken don't know how to create a hard shelled egg unless it has some food with lime in it.

So chicken-raisers often provide limestone gravel, broken oyster shells or some other form of lime.

Let the chicken wander free and it finds its own food and behaves sensibly.

Shut it up and feed stuff lacking lime and the eggs are soft-shelled.

Let's step from chickens to human beings.

Why is a child "backward" and why does a man or woman have nervous prostration or brain-fag? There may be a variety of reasons but one thing is certain.

If the food is deficient in Phosphate of Potash the gray matter in the nerve centres and brain cannot be rebuilt each day to make good the cells broken down by the activities of yesterday.

Phosphate of Potash is the most important element Nature demands to unite albumin and water to make gray matter.

Grape-Nuts food is heavy in Phosphate of Potash in a digestible form.

A chicken can't always select its own food, but a thoughtful man can select suitable food for his children, wife and himself.

MAYSVILLE CITIZENS GLADLY TESTIFY AND  
CONFIDENTLY RECOMMEND DOAN'S  
KIDNEY PILLS

It is testimony like the following that has placed Doan's Kidney Pills so far above competition. When people right here at home raise their voice in praise there is no room left for doubt. Read the public statement of a Maysville citizen:

Mr. Dorn Mefford, Maysville, Ky., says: "Doan's Kidney Pills did me a lot of good and I am glad to tell about it. I was feeling poorly for some time, before I knew that my kidneys were at fault. I was nervous and dizzy and my back and head ached. I rested poorly and mornings I was all tired out. I read in a local paper how a neighbor had been cured of kidney trouble by Doan's Kidney Pills. I used them, and before long I was entirely better. I was able to sleep well and they improved my health."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Ninth District Republicans  
Stand By the President

DELEGATES SO INSTRUCTED

Bradley, Breathitt and Cochran  
Indorsed For Delegates  
at Large

Roosevelt's Name Never Heard in  
the Convention

Yesterday's Republican Convention for the  
Ninth Congressional District and what it did:  
— Harry Bailey of Harrison county Chair-  
man.

Hon. R. C. McClure of Lawrence Secretary.  
District Delegates to the Chicago conven-  
tion: John Russell of Boyd county and Judge  
W. C. Halbert of Lewis county. Alternates:  
J. H. Hawkins of Fleming; Judge W. C.  
Halbert of Lewis county. H. C. Goddell of  
Bath county.

Instructed the votes of the district, both at  
the Louisville convention and the Chicago  
convention, to vote for Taft.

The convention was called to order at 10:45  
a. m. by ex-Congressman J. B. Bennett, who,  
in a brief address, outlined the business before  
the meeting. On motion, Hon. Harry Bailey  
was elected temporary Chairman and R. C. Mc-  
Clure Secretary.

Mr. Bailey accepted in a neat speech

The Chairman then called for the counties  
to send in a list of names to serve on the com-  
mittees as follows: Rules, Organization, Res-  
olutions and Credentials.

The following represented Mason county on  
the several committees: Dr. Alex. R. Hunter,  
Organization; H. H. Payter, Rules; Resolu-  
tions, W. H. Cox; Credentials, W. D. Cochran.

The fall Credentials Committee was made  
up as follows:

Bath county—H. C. Goddell.  
Boyd county—John Colidon.  
Bracken county—H. C. Metcalfe.  
Carter county—Thomas D. Theobold.  
Fleming county—F. H. McCarty.  
Greenup county—E. E. Pierce.  
Harrison county—J. E. Wells.  
Lawrence county—T. H. Billups.  
Lewis county—C. L. Tannan.  
Mason county—W. D. Cochran.  
Nicholas county—H. R. Bryson.  
Robertson county—Robert Buckler.  
Rowan county—J. A. Allen.

Resolutions:

Bath county—Trumbo Snadegar.  
Boyd county—O. F. Byron.  
Bracken county—W. O. Blackerby.  
Carter county—Clayton Hitchens.

Lawrence county—Hon. S. J. Pugh.  
Mason county—Hon. W. H. Cox.  
Nicholas county—S. Holmes.

The Chairman then requested the committees  
to retire and formulate their reports.

Afternoon session.  
On reassembling at 1:30 o'clock, Chairman  
Bailey called for report of the Committee.

Chairman Cochran of the Credentials Com-  
mittee stated that in the matter of the vote of  
Boyd county, which was the only contested  
delegation before his committee, he reported  
that in view of the affidavit and other  
testimony spread before the Committee it was  
decided by the majority to seat the Taft dele-  
gates from Boyd county. Mr. Cochran ex-  
plained fully the situation surrounding the  
Boyd county convention and declared the  
testimony showed that Taft had 3 to 1 over  
Roosevelt.

Delegate Thomas D. Theobold of Carter, a  
Roosevelt supporter, speaking for the  
minority, made quite an emphatic speech in  
his endeavor to throw out the Taft vote in  
Boyd and made specific charges of fraud and  
unfairness against the Taft cohorts.

This had no effect on the convention how-  
ever as the Boyd vote went to Taft by a call of  
the county's vote.

Ex-Congressman, Hon. Samuel J. Pugh,

Chairman of the Resolution Committee, read  
the following report as signed by himself  
and Ormund Byron, Secretary.

First. Resolved that we have implicit con-  
fidence in the principles and policies of the  
Republican party founded upon its achieve-  
ments of the past and its promises for the  
future, and view with deep foreboding an orga-  
nized or individual attempt to blur its  
history or impair its efficiency and usefulness  
as the greatest and most progressive political  
organization with which our country has ever  
been blessed.

Second. We rejoice that we have found  
a wise, conservative, courageous progressive  
and true exponent of the fundamental  
doctrines and tenets of our party in our be-  
loved, tried and trustworthy President, William  
Howard Taft and unhesitatingly tender  
him and his administration a merited indora-  
ment. We doubt not that he will be nomi-  
nated and re-elected, and we pledge our united  
endeavor to that end. And the delegates to be  
chosen by this convention are hereby in-  
structed to cast their votes for him so long as  
his name is before the National Convention.

Third. We heartily approve of the course  
and labors of our United States Senator, Hon.  
W. O. Bradley and our Republican Repre-  
sentatives in Congress in the faithful and efficient  
discharge of their official duties.

The above was adopted by acclamation by  
the convention.

The convention then indorsed the following  
for Delegates-at Large to Chicago: Senator  
Bradley, Judge James Breathitt and W. D.  
Cochran.

District Delegates to Chicago were elected  
as follows: John Russell, Boyd county; alter-  
nate, J. H. Hawkins, Fleming; Judge W. C.  
Halbert of Lewis county, H. C. Goddell of  
Bath.

There being no further business the conven-  
tion adjourned to meet in Louisville at 10  
o'clock this morning, when a District Chairman  
will be elected who will have under him the  
"redistricted Ninth District" of 19 counties,  
including "Bloody Breathitt," the home of Curt  
Jett, which has, by the grace or disgrace of the  
late lamented Legislature, been included in  
this district, making it the largest in counties  
and area of any in the state.

All matter for publication must be  
handed in before 9 o'clock a. m.
